School Environment

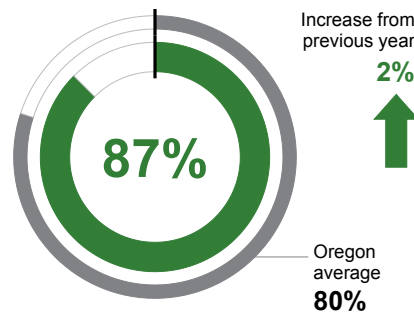

CLASS SIZE

Median class size.

REGULAR ATTENDERS

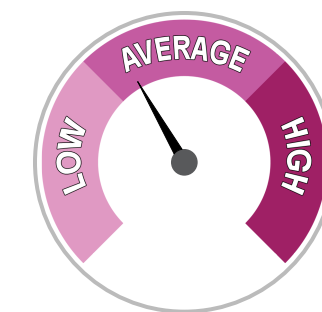

Students who attended more than 90% of their enrolled school days.

Academic Progress

INDIVIDUAL STUDENT PROGRESS

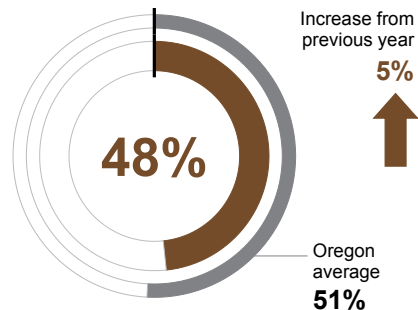

Year-to-year progress in English language arts and mathematics.

Academic Success

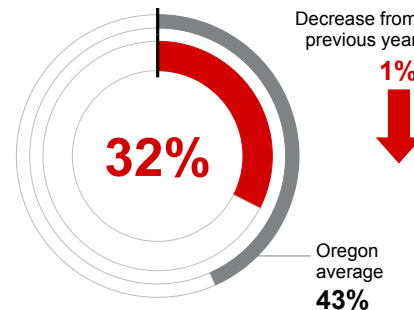

ENGLISH LANGUAGE ARTS

Students meeting state grade-level expectations.

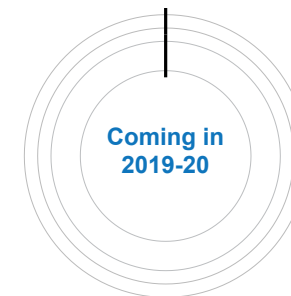

MATHEMATICS

Students meeting state grade-level expectations.

SCIENCE

Students meeting state grade-level expectations.

School Goals

We continue to focus on three main areas: regular attendance, reading at grade level by third grade and math at grade level by fifth grade. We focus our resources and make learning time a priority. We recognize that in order to assist students who struggle to make it to school, we must support families. When students are at school, we must support their different learning needs. By using a multi-tiered system of support, every student gets what they need. This philosophy ensures equity across grade levels and student groups. Our ultimate goal is every student, every day, no matter what it takes!

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

In an effort to make sure that all students and their parents feel safe and welcome, we strive to greet families and students each day, use multiple ways to communicate in all applicable languages, and create opportunities for families to engage with, and partner with the school around the success of all students.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

Our school strives to promote an environment that is free of bullying and harassment. Because the playground typically has the highest rate of bullying, we employ a Playworks-trained recess coach who promotes the value of playing by the rules, conflict-resolution, promotes inclusion and incorporates class gametime. PBIS helps us promote school wide expectations for common areas like cafeteria, gyms, hallways and other common areas. We subscribe to the "Hands and Words are not for Hurting" program.

EXTRACURRICULAR ACTIVITIES

Our school offers these extracurricular activities:
Lego Robotics
Youth sports: flag football, basketball, soccer, mat club wrestling, Little League
Country Financial Relays

PARENT ENGAGEMENT

Our school engages our parents by promoting volunteers at both the classroom and school wide level. We have an active Parent Teacher Club which we use as a way to gather information for decision making. We offer: Open House · Monthly Family Movie Night · Parent-Teacher Conferences · Bring your Mom/Dad to PE day · AVID parent night · SMART · Literatura Familiar · Early Learning Home Visits · Fall Harvest Festival/Spring Carnival

COMMUNITY ENGAGEMENT

We work as a school to provide meaningful ways to engage our Community. These include: Veterans Day Assembly/luncheon · Partnerships with Fire and Police Department · National Ride Your Bike to School Day · Local Historical Society/Museum · Partnerships with local churches and food bank for Food Backpack program and School Supplies · Community Clothing Closet · SMART · Internships with HS students
