School Environment

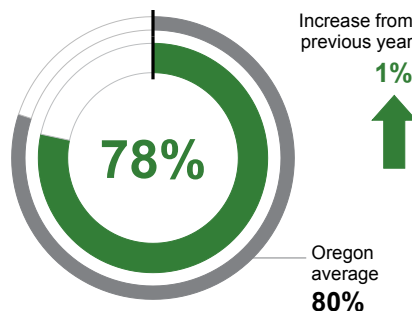

CLASS SIZE

Median size of classes in core subjects.

REGULAR ATTENDERS

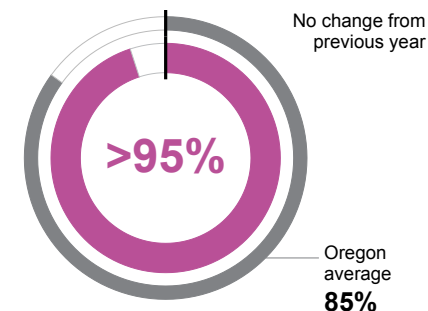

Students who attended more than 90% of their enrolled school days.

Academic Progress

ON-TRACK TO GRADUATE

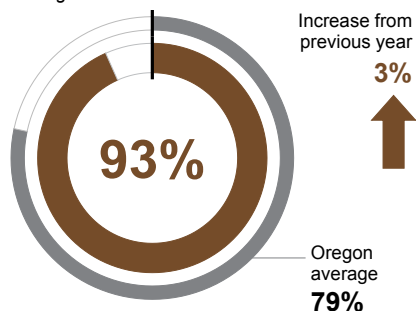

Students earning one-quarter of graduation credits in their 9th grade year.

Academic Success

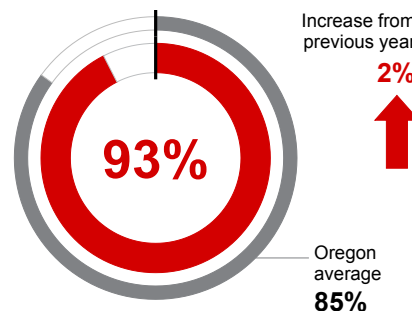

ON-TIME GRADUATION

Students earning a diploma within four years. Cohort includes students who were first-time ninth graders in 2014-15.

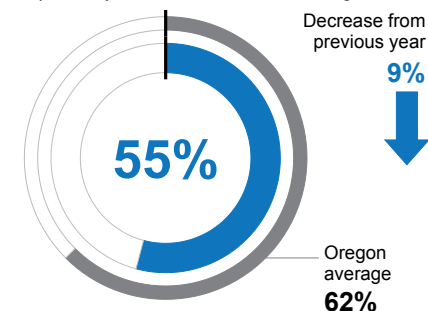

FIVE-YEAR COMPLETION

Students earning a high school diploma or GED within five years.

COLLEGE GOING

Students enrolling in a two or four year college within one year of completing high school, as reported by the National Student Clearinghouse.

School Goals

This year we focused on three goals aimed at student success. The first - to continue to expand our career and technical education programs. Toward that end, we greatly enhanced our manufacturing, construction, health occupations, and culinary opportunities. A second focused on AVID, a nationally recognized program to help all students become fully college and career ready. We currently have an AVID elective section in all four grade levels. The final goal focused on student attendance. We emphasized to all families the importance of regular attendance in high school, and saw increased rates school wide.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

A common theme reported by new and transfer students is that Cascade High School is one of the most welcoming, safe, and peaceful schools they have ever attended. We take pride in this fact, and believe that strong student and staff relationships are the cornerstones that supports mutual trust and respect. We continue to make every effort to ensure that all students feel included in our school and community.

Health Services/Health Occupations
Business and Marketing
CAD and Computer Programming

EXTRACURRICULAR ACTIVITIES

15+ interscholastic sports and activities available
Numerous academic and services clubs/organizations
Highly competitive robotics team
Active student council/student leadership groups

PARENT & COMMUNITY ENGAGEMENT

While we serve several local communities, it is clear that Cascade High School has become the hub for both parents and local citizens. Whether attending a sports contest, a theater production, a spring showcase, or a concert, parents and community are engaged and supportive. Recently we have made extra efforts to communicate even more effectively with parents by adopting a new student services system and by hiring a communications/media specialist.
